

NUCA of Metropolitan Washington DC

The National Utility Contractors Association is the leading trade association working solely for the utility construction industry in the United States.

Our Metro DC Chapter Mission: NUCA of Metropolitan Washington DC is a powerful group of contractors, suppliers, engineers, utility owners and supporters, dedicated to promoting the utility industry through safety, education, advocacy and industry relationships.

NUCA of Metro DC is active in multiple arenas, promoting the interests of our members, and providing opportunities for members to save money, expand business and grow even stronger companies.

Government and Industry Relationships

Addressing issues that mean time and money to your Business, such as:

- *Steel Plate Fees & Regulations
- *Underground Utility Damage Enforcement Legislation Processes and Oversight
- *Workforce Initiatives to stimulate local hiring
- *Providing Spec Book Revision Recommendations
- *Lobbying Congress to fund and support Infrastructure financing bills.
- *Building relationships with local government officials and agencies to ensure that our issues are taken into account when developing legislation and regulations.

Money-Saving Discounts

- *Significant discounts on products and services Through NUCA's National Partners and Sponsors, such as Volvo, John Deere, CNA Insurance, HD Supply, United Rentals, Ferguson Waterworks and more!

Networking and Business Development

- *Regular Networking Happy Hours
- *Sporting Challenges – Golf, Clay Shoot, Fishing
- *Access to Colleagues Nationwide at Strategy and Best Practices Roundtables

Safety and Education

- *Regular safety presentations on timely topics
- *"Lunch & Learn Educational Seminars
- *Webinars
- *Equipment and technique demonstrations
- *Heavy Equipment Operator Training on the NUCA of DC/ John Deere Simulator
