

[NUCA of Metropolitan Washington DC](#)

The National Utility Contractors Association is the leading trade association working solely for the utility construction industry in the United States.

Metro DC Chapter Mission: NUCA of Metropolitan Washington DC Is a powerful group of contractors, suppliers, engineers, utility owners and supporters, dedicated to promoting the utility industry through safety, education, advocacy and industry relationships.

NUCA of Metro DC is active in multiple arenas, promoting the interests of our members, and providing opportunities for members to save money, expand business and grow even stronger companies.

Government and Industry Relationships

Addressing issues that mean time and money to your business.

Lobbying Congress for:

- *Water Infrastructure Funding
- *Private Activity Bonds
- *Damage Prevention
- *Workforce Development
- *Regulations

Advocating locally:

- *Building relationships with local government officials and agencies in Metro DC (District of Columbia, Maryland, and Virginia), to ensure member issues are considered when developing legislation and regulations.
- *Provide forums to meet utilities and stakeholders.

Money-Saving Discounts

- *Significant benefits on products and services through NUCA's National Partners and Sponsors, such as NUCA Choice Insurance, NUCA Wins Incident Reporting App, NUCA Advantage, UPS, Lenovo, ConsensusDocs and more!

Networking and Business Development

- *Regular Networking Happy Hours
- *Sporting Challenges – Golf, Clay Shoot, Fishing
- *Access to Colleagues Nationwide at Strategy and Best Practices Roundtables

Safety and Education

- *Regular safety presentations on timely topics
- *Educational Seminars
- *Crew Leader Training
- *Equipment and technique demonstrations
- *Heavy Equipment Operator Training on the NUCA of DC/ John Deere Simulator
